

Taylor on Criminal Appeals

Third Edition

This new edition of *Taylor on Criminal Appeals* addresses the stages in a potential appeal from identifying grounds and forum for challenge, to setting out the procedure for launching, preparing for, and presenting the appeal. Each chapter contains a detailed analysis of the approach of the appellate courts in specific areas, and flow charts and references to online resources.

- Written by specialist practitioners, led by Paul Taylor QC, providing invaluable practical guidance for use in preparation and in court
- Provides in depth analysis of the various procedural aspects and substantive grounds to challenge the decisions of the criminal courts, both in England and Wales as well as the Privy Council, and European Court of Human Rights
- Covers all kinds of criminal appeals including those to the Crown Court, the Court of Appeal (Criminal Division), Supreme Court and Privy Council, European Court of Human Rights, case-stated appeals, judicial review, and the CCRC

THE EDITOR: Paul Taylor QC is a Barrister at Doughty Street Chambers
